New Delhi, the 16th January 1958

No. 10-8/57-STA.—The following rules for a competitive examination to be held by the Union Public Service Commission in July, 1958, for the purpose of filling vacancies in the Telegraph Engineering Service, Class I are published for general information.

RULES

For the purpose of these Rules—

- (a) "Government" means the Government of India.
- (b) "The Commission" means the Union Public Service Commission.
- (c) "The Service" means the Telegraph Engineering Service, Class I, particulars in respect of which are given in Appendix IV.

2. A competitive examination for admission to the Service shall be held in India at such times and places as may be prescribed in the Notice issued by the Commission. Every such Notice will, when possible announce the number of vacancies to be filled on the result of the examination.

3. If the examination held under this part of these Rules is a combined examination for the purpose of making appointments to more than one Service the following provisions shall apply:—

- (a) Any person may apply to be admitted as a candidate for appointment in all or any of these Services for which he is eligible. If he wishes to compete for appointment in more than one Service, he shall state in his application form which Services he wishes to compete for and the order of his preference for them, and in such case only one application form will be necessary and one payment of the fees referred to in rule 14 (and Appendix III) will be sufficient.

- (b) Government shall assign successful candidates to each Service or Department on a consideration of all circumstances including any personal preference expressed by the candidate.

4. The maximum number of candidates to be admitted to any examination may at the discretion of the Commission be limited to such number, not being less than 200, as the Commissioner may decide. If a limit is imposed and the number of candidates exceeds that limit, the Commission shall select from the applicants those who shall be admitted to the examination, and in doing so shall have regard to the suitability of the applicants.

5. A candidate must apply to be admitted to the examination before such date, in such manner, and in such form as the Commission may prescribe.

6. A candidate must be either—

- (a) a citizen of India, or
- (b) a subject of India, or
- (c) a person of Indian origin who has migrated from Pakistan with the intention of permanently settling in India, or
- (d) a subject of Nepal or of a Portuguese or former French possession in India.

NOTE.—The appointment of candidates in categories (c) and (d) above will be subject to the issue of certificates of eligibility in their favour by the Government of India. The certificate of eligibility in respect of candidates belonging to category (c) will be valid only for a period of one year from the date of his appointment beyond which he would be retained in service only if he has become a citizen of India.

Certificates of eligibility will not, however, be necessary in the case of candidates belonging to any one of the following categories:—

- (1) Persons who migrated to India from Pakistan before the 19th July 1948, and have ordinarily been residing in India since then.
- (2) Persons who migrated to India from Pakistan after the 18th July 1948 and got themselves registered as citizens within the time allowed.
- (3) Non-citizens of categories (c) and (d) above who entered service under the Government of India before the commencement of the constitution, viz., 26th January 1950 and who have continued in such service since then. Any such person who re-entered or may re-enter such service with break after the 26th January, 1950, will, however, require certificate of eligibility in the usual way.

NOTE 2.—A candidate in whose case a certificate of eligibility is necessary may be admitted to the examination and he may also be provisionally appointed subject to the necessary certificate being eventually issued in his favour by Government.

7. (a) No male candidate who has more than one wife living shall be eligible for appointment to any of the Services appointments to which are made on the results of this competitive examination unless the Government of India after being satisfied that there are special grounds for doing so, exempt any male candidate from the operation of this rule.

(b) No female candidate who has married a person having already a wife living shall be eligible for appointment on the results of this competitive examination unless the Government of India after being satisfied that there are special grounds for doing so, exempt any female candidate from the operation of this rule.

8. On the date prescribed by the Commission in their Notice of the examination issued under Rule 2, a candidate must have attained the age of 20 and must not have attained the age of 25, provided that the upper age limit of 25 will be relaxable upto 30 in the case of candidates who hold substantively permanent posts in the Posts and Telegraphs Department or have continuously held for a period of not less than two years temporary posts of (1) Repeater Station Assistants or (2) Foremen and Assistant Foremen, Telegraph Workshops, or (3) Temporary Assistant Engineers, Workshops, or (4) Engineering Supervisors or (5) Workshops Supervisors under the Posts and Telegraphs Department, such relaxation being limited to three examinations only.

Departmental candidates must obtain previous permission of the Head of the Department to appear for the examination.

NOTE.—The upper age limits prescribed above will be relaxable:—

- (i) Upto a maximum of five years if a candidate belongs to a Scheduled Caste or a Scheduled Tribe.
- (ii) Upto a maximum of three years if a candidate is a *bona fide* displaced person from Pakistan or from the unliberated areas of Jammu and Kashmir;

This concession will not, however, be admissible to a candidate who has already appeared at five previous examinations or in the case of those employed in the Posts and Telegraphs Department at eight previous examinations.

- (iii) Upto a maximum of eight years if a candidate belongs to a Scheduled Caste or a Scheduled Tribe and is also a *bona fide* displaced person from Pakistan or from the unliberated areas of Jammu and Kashmir.

This concession will not, however, be admissible to a candidate who has already appeared at ten previous examinations or in the case of those employed in the Posts and Telegraphs Department at thirteen previous examinations.

- (iv) Upto a maximum of three years if a candidate is a resident of the former French Settlements which have now become part of India and has been receiving his education through the medium of French.

- (v) Upto a maximum of 4 years if a candidate belongs to the Andaman and Nicobar Islands.

N.B.—Candidates who are admitted to the examination under the age concession mentioned in paragraph 8 above will not be eligible for appointment if, after submitting the application, they resign from service either before or after taking the examination. They will, however, continue to be eligible if they are retrenched from the service or post after submitting the applications.

SAVE AS PROVIDED ABOVE THE AGE LIMITS PRESCRIBED CAN IN NO CASE BE RELAXED.

9. A candidate must satisfy the Commission that his character is such as to make him suitable for appointment to the Service.

10. A candidate must have—

- (a) obtained a degree in Engineering from a university incorporated by an Act of the Central or of a State Legislature in India; or
- (b) passed Sections A and B of the Associate Membership Examination of the Institution of Engineers (India) or have any other educational qualifications recognised by that institution, as exempting from passing these sections, or
- (c) obtained an engineering degree of one of the universities mentioned in Appendix I under the conditions prescribed in that Appendix; or
- (d) passed the Honours Diploma examination in Civil, Mechanical or Electrical Engineering of the Loughborough College, Leicestershire provided the candidate has passed the common preliminary examination or has been exempted therefrom; or
- (e) obtained the B.E. (Tele-Communication) degree awarded by Indian Universities.

NOTE 1.—In exceptional cases the Commission may treat as a qualified candidate, a candidate, who, though he has not all or any of the qualifications prescribed in this rule, has passed examinations conducted by other institutions of a standard which in the opinion of the Commission justifies his admission to the examination.

NOTE 2.—Candidates who have appeared at an examination the passing of which would render them eligible to appear at this examination, but have not been informed of the result may apply for admission to the examination. Candidates who intend to appear at such a qualifying examination may also apply, provided that the qualifying examination is completed before the commencement of this examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case not later than two months after the commencement of the examination.

11. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Commission.

The decision of the Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

12. A candidate found guilty of impersonation or of submitting fabricated documents or documents which have been tampered with or of making statements which are incorrect or false or suppressing material information or of using or attempting to use unfair means in the examination hall or otherwise resorting to any other irregular or improper means for obtaining admission to the examination may, in addition to rendering himself liable to a criminal prosecution be debarred either permanently or for a specified period—

- (a) by the Commission from admission to any examination or appearance at any interview held by the Commission for selection of candidates; and
- (b) by the Central Government from employment under the Government.

13. No recommendations except those required in the application form shall be taken into consideration. Any attempt on the part of a candidate to obtain support for his candidature by other means may disqualify him for admission.

14. Candidates must pay such examination fees as Government may prescribe (see Appendix III). No claim for a refund of any of those fees will ordinarily be entertained nor can they be held in reserve for any other examination or selection.

15. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

16. (a) After every examination the Commission shall make a list of the candidates in order of their merit as disclosed by the aggregate marks finally awarded to each candidate and in that order so many candidates up to the number of vacancies announced under rule 2 above, as are found by the Commission to be qualified by the examination and are considered by Government or the appointing authority, as the case may be, to be suitable in all other respects, shall be appointed.

(b) Appointments to vacancies to be filled by members of a particular community or communities shall be made by Government or the appointing authority as the case may be, in the order of merit of the candidates belonging to the particular community or communities provided they have qualified in the examination and are in all respects suitable for employment in the service.

(c) Success in the examination confers no right to appointment, unless Government are satisfied, after such enquiry as may be considered necessary that the candidate is suitable in all respects for appointment to the public Service.

17. A candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the discharge of his or her duties as an officer of the Service. A candidate who (after such physical examination as Government or the appointing authority, as the case may be, may prescribe) is found not to satisfy those requirements will not be appointed. Only candidates who are likely to be considered for appointment will be physically examined.

In order to prevent disappointment candidates are advised to have themselves examined by a Government Medical Officer of the standing of a Civil Surgeon before applying for admission to the examination. Particulars of the nature of the physical test to which candidates will be subjected before appointment and of the standards required can be had from the Commission.

18. (a) Appointments shall be made on probation for a period of two years.

(b) If, in the opinion of Government, the work or conduct of an officer on probation is unsatisfactory, or shows that he is unlikely to become efficient, Government may discharge him forthwith.

(c) On the conclusion of his period of probation, Government may confirm the officer in his appointment, or if his work or conduct has in the opinion of Government been unsatisfactory, Government may either discharge him from the Service or may extend his period of probation for such further period as Government may think fit.

(d) If no action is taken by Government, under sub-rule (b) or (c) of this rule, the period after the prescribed period of probation shall be treated as an engagement from month to month, terminable on either side, on the expiration of one calendar month's notice in writing.

(e) If the power to make appointments in the Service is delegated by Government to any officer, that officer may exercise any of the powers of Government under this rule.
